PLEA AGREEMENT

Dana J. Boente, United States Attorney for the Eastern District of Virginia; Brian J. Samuels, Lisa R. McKeel, and Kevin Hudson, Assistant United States Attorneys; the defendant, OMER GUR; and the defendant's counsel have entered into an agreement pursuant to Rule 11 of the Federal Rules of Criminal Procedure. The terms of the agreement are as follows:

**1. Offense and Maximum Penalties**

The defendant agrees to plead guilty to Counts One and Thirty-Four of the indictment. **Count One** charges the defendant with **Conspiracy to Defraud and to Commit Offenses Against the United States**, in violation of Title 18, United States Code, Section 371. The maximum penalties for this offense are a maximum term of five (5) years of imprisonment, a fine of \$250,000, full restitution, forfeiture of assets as provided herein, a special assessment, and three (3) years of supervised release. **Count Thirty-Four** charges the defendant with **Conspiracy to Launder Money**, in violation of 18 U.S.C., Section 1956(h). The maximum penalties for this offense are a maximum term of twenty (20) years of imprisonment, a fine of the greater of \$500,000 or twice the value of the property involved, full restitution, forfeiture of assets as provided herein, a special assessment, and three (3) years of supervised release. The defendant understands that these supervised release terms are in addition to any prison term the

ICPN  
(06)  
LBB

defendant may receive, and that a violation of a term of supervised release could result in the defendant being returned to prison for the full term of supervised release.

**2. Factual Basis for the Plea**

The defendant will plead guilty because the defendant is in fact guilty of the charged offenses. The defendant admits the facts set forth in the statement of facts filed with this plea agreement and agrees that those facts establish guilt of the offenses charged beyond a reasonable doubt. The statement of facts, which is hereby incorporated into this plea agreement, constitutes a stipulation of facts for purposes of Section 1B1.2(a) of the Sentencing Guidelines.

**3. Assistance and Advice of Counsel**

The defendant is satisfied that the defendant's attorney has rendered effective assistance. The defendant understands that by entering into this agreement, defendant surrenders certain rights as provided in this agreement. The defendant understands that the rights of criminal defendants include the following:

- a. the right to plead not guilty and to persist in that plea;
- b. the right to a jury trial;
- c. the right to be represented by counsel – and if necessary have the court appoint counsel – at trial and at every other stage of the proceedings; and
- d. the right at trial to confront and cross-examine adverse witnesses, to be protected from compelled self-incrimination, to testify and present evidence, and to compel the attendance of witnesses.

**4. Role of the Court and the Probation Office**

The defendant understands that the Court has jurisdiction and authority to impose any sentence within the statutory maximum described above but that the Court will determine the

KPU  
(GG)  
LBB

defendant's actual sentence in accordance with 18 U.S.C. § 3553(a). The defendant understands that the Court has not yet determined a sentence and that any estimate of the advisory sentencing range under the U.S. Sentencing Commission's Sentencing Guidelines Manual the defendant may have received from the defendant's counsel, the United States, or the Probation Office, is a prediction, not a promise, and is not binding on the United States, the Probation Office, or the Court. Additionally, pursuant to the Supreme Court's decision in *United States v. Booker*, 543 U.S. 220 (2005), the Court, after considering the factors set forth in 18 U.S.C. § 3553(a), may impose a sentence above or below the advisory sentencing range, subject only to review by higher courts for reasonableness. The United States makes no promise or representation concerning what sentence the defendant will receive, and the defendant cannot withdraw a guilty plea based upon the actual sentence.

The United States and the defendant agree that the defendant has assisted the government in the investigation and prosecution of the defendant's own misconduct by timely notifying authorities of the defendant's intention to enter a plea of guilty, thereby permitting the government to avoid preparing for trial and permitting the government and the Court to allocate their resources efficiently. If the defendant qualifies for a two-level decrease in offense level pursuant to U.S.S.G. § 3E1.1(a) and the offense level prior to the operation of that section is a level 16 or greater, the government agrees to file, pursuant to U.S.S.G. § 3E1.1(b), a motion prior to, or at the time of, sentencing for an additional one-level decrease in the defendant's offense level.

##### **5. Waiver of Appeal, FOIA and Privacy Act Rights**

The defendant also understands that 18 U.S.C. § 3742 affords a defendant the right to appeal the sentence imposed. Nonetheless, the defendant knowingly waives the right to appeal

the conviction and any sentence within the statutory maximum described above (or the manner in which that sentence was determined) on the grounds set forth in 18 U.S.C. § 3742 or on any ground whatsoever, in exchange for the concessions made by the United States in this plea agreement. This agreement does not affect the rights or obligations of the United States as set forth in 18 U.S.C. § 3742(b). The defendant also hereby waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act, 5 U.S.C. § 552a.

**6. Special Assessment**

Before sentencing in this case, the defendant agrees to pay a mandatory special assessment of one hundred dollars (\$100.00) per count of conviction.

**7. Payment of Monetary Penalties**

The defendant understands and agrees that, pursuant to 18 U.S.C. § 3613, whatever monetary penalties are imposed by the Court will be due immediately and subject to immediate enforcement by the United States as provided for in Section 3613. Furthermore, within 14 days of a request, the defendant agrees to provide all of the defendant's financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination and/or complete a financial statement under penalty of perjury. If the Court imposes a schedule of payments, the defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation on the methods, available to the United States to enforce the judgment. If the defendant is incarcerated, the defendant agrees to voluntarily participate in the Bureau of Prisons' Inmate Financial

Responsibility Program, regardless of whether the Court specifically directs participation or imposes a schedule of payments.

**8. Restitution**

The defendant acknowledges that the offenses to which he is pleading guilty may carry restitution for any losses as part of the sentence pursuant to 18 U.S.C. §§ 3663 or 3663A.

**9. Immunity from Further Prosecution in this District**

The United States will not further criminally prosecute the defendant in the Eastern District of Virginia for the specific conduct described in the indictment or statement of facts.

**10. Dismissal of Other Counts**

As a condition of the execution of this agreement and the Court's acceptance of the defendant's plea of guilty, the United States will move to dismiss the remaining counts of the indictment against this defendant.

**11. Defendant's Cooperation**

The defendant agrees to cooperate fully and truthfully with the United States, and provide all information known to the defendant regarding any criminal activity as requested by the government. In that regard:

- a. The defendant agrees to testify truthfully and completely at any grand juries, trials or other proceedings.
- b. The defendant agrees to be reasonably available for debriefing and pre-trial conferences as the United States may require.
- c. The defendant agrees to provide all documents, records, writings, or materials of any kind in the defendant's possession or under the

LB3  
KPN  
(OG)

defendant's care, custody, or control relating directly or indirectly to all areas of inquiry and investigation.

- d. The defendant agrees that, at the request of the United States, the defendant will voluntarily submit to polygraph examinations, and that the United States will choose the polygraph examiner and specify the procedures for the examinations.
- e. The defendant agrees that the Statement of Facts is limited to information to support the plea. The defendant will provide more detailed facts relating to this case during ensuing debriefings.
- f. The defendant is hereby on notice that the defendant may not violate any federal, state, or local criminal law while cooperating with the government, and that the government will, in its discretion, consider any such violation in evaluating whether to file a motion for a downward departure or reduction of sentence.
- g. Nothing in this agreement places any obligation on the government to seek the defendant's cooperation or assistance.

## **12. Use of Information Provided by the Defendant Under This Agreement**

The United States will not use any truthful information provided pursuant to this agreement in any criminal prosecution against the defendant in the Eastern District of Virginia, except in any prosecution for a crime of violence or conspiracy to commit, or aiding and abetting, a crime of violence (as defined in 18 U.S.C. § 16). Pursuant to U.S.S.G. § 1B1.8, no truthful information that the defendant provides under this agreement will be used in determining the applicable guideline range, except as provided in Section 1B1.8(b). Nothing in this plea

EBB RPA  
(OG)

agreement, however, restricts the Court's or Probation Officer's access to information and records in the possession of the United States. Furthermore, nothing in this agreement prevents the government in any way from prosecuting the defendant should the defendant knowingly provide false, untruthful, or perjurious information or testimony, or from using information provided by the defendant in furtherance of any forfeiture action, whether criminal or civil, administrative or judicial. The United States will bring this plea agreement and the full extent of the defendant's cooperation to the attention of other prosecuting offices if requested.

### **13. Prosecution in Other Jurisdictions**

The United States Attorney's Office for the Eastern District of Virginia will not contact any other state or federal prosecuting jurisdiction and voluntarily turn over truthful information that the defendant provides under this agreement to aid a prosecution of the defendant in that jurisdiction. Should any other prosecuting jurisdiction attempt to use truthful information the defendant provides pursuant to this agreement against the defendant, the United States Attorney's Office for the Eastern District of Virginia agrees, upon request, to contact that jurisdiction and ask that jurisdiction to abide by the immunity provisions of this plea agreement. The parties understand that the prosecuting jurisdiction retains the discretion over whether to use such information.

### **14. Defendant Must Provide Full, Complete and Truthful Cooperation**

This plea agreement is not conditioned upon charges being brought against any other individual. This plea agreement is not conditioned upon any outcome in any pending investigation. This plea agreement is not conditioned upon any result in any future prosecution which may occur because of the defendant's cooperation. This plea agreement is not conditioned upon any result in any future grand jury presentation or trial involving charges

resulting from this investigation. This plea agreement is conditioned upon the defendant providing full, complete and truthful cooperation.

**15. Motion for a Downward Departure**

The parties agree that the United States reserves the right to seek any departure from the applicable sentencing guidelines, pursuant to Section 5K1.1 of the Sentencing Guidelines and Policy Statements, or any reduction of sentence pursuant to Rule 35(b) of the Federal Rules of Criminal Procedure, if, in its sole discretion, the United States determines that such a departure or reduction of sentence is appropriate.

**16. Forfeiture**

The defendant understands that the forfeiture of assets is part of the sentence that must be imposed in this case. The defendant understands that his conviction on Count 1 requires the forfeiture of that conspiracy's proceeds foreseeable to him. The defendant further understands that his conviction on Count 34 requires the forfeiture of the property involved in that conspiracy foreseeable to him. The defendant acknowledges that if the assets directly forfeitable under the above theories are not available for forfeiture, the Court must enter a monetary judgment in the amount of the assets subject to forfeiture. The defendant further understands that the law permits the government to collect on its monetary judgment through substitute assets, that is, assets which have no connection to the offenses of conviction, provided that the government satisfies the requirements of 21 U.S.C. § 853(p). The defendant also understands that once the Court enters an order of forfeiture, the Court may authorize the government to conduct discovery to locate assets for forfeiture pursuant to Fed. R. Crim. P. 32.2(b)(3).

LAB <sup>RM</sup> (OG)

The parties do not presently have an agreement as to asset forfeiture. If the parties are unable to reach an agreement, the government intends to file a motion for a preliminary order of forfeiture and a contested forfeiture hearing may be necessary.

**17. Impact of Guilty Plea on Immigration Status**

The defendant recognizes that pleading guilty may have consequences with respect to defendant's immigration status if defendant is not a citizen of the United States. Under federal law, a broad range of crimes are removable offenses, which may include the offenses to which defendant is pleading guilty. Because removal and other immigration consequences are the subjects of a separate proceeding, the defendant understands that no one, including defendant's attorney or the District Court, can predict to a certainty the effect of the defendant's conviction on defendant's immigration status. Defendant nevertheless affirms that defendant wants to plead guilty regardless of any immigration consequences that defendant's plea may entail, even if the consequence is the defendant's automatic removal from the United States.

**18. Breach of the Plea Agreement and Remedies**

This agreement is effective when signed by the defendant, the defendant's attorney, and an attorney for the United States. The defendant agrees to entry of this plea agreement at the date and time scheduled with the Court by the United States (in consultation with the defendant's attorney). If the defendant withdraws from this agreement, or commits or attempts to commit any additional federal, state or local crimes, or intentionally gives materially false, incomplete, or misleading testimony or information, or otherwise violates any provision of this agreement, then:

- a. The United States will be released from its obligations under this agreement, including any obligation to seek a downward departure or a

LAB KAD  
(66)

reduction in sentence. The defendant, however, may not withdraw the guilty plea entered pursuant to this agreement;

- b. The defendant will be subject to prosecution for any federal criminal violation, including, but not limited to, perjury and obstruction of justice, that is not time-barred by the applicable statute of limitations on the date this agreement is signed; and
- c. Any prosecution, including the prosecution that is the subject of this agreement, may be premised upon any information provided, or statements made, by the defendant, and all such information, statements, and leads derived therefrom may be used against the defendant. The defendant waives any right to claim that statements made before or after the date of this agreement, including the statement of facts accompanying this agreement or adopted by the defendant and any other statements made pursuant to this or any other agreement with the United States, should be excluded or suppressed under Fed. R. Evid. 410, Fed. R. Crim. P. 11(f), the Sentencing Guidelines or any other provision of the Constitution or federal law.

Any alleged breach of this agreement by either party shall be determined by the Court in an appropriate proceeding at which the defendant's disclosures and documentary evidence shall be admissible and at which the moving party shall be required to establish a breach of the plea agreement by a preponderance of the evidence. The proceeding established by this paragraph does not apply, however, to the decision of the United States whether to file a motion based on "substantial assistance" as that phrase is used in Rule 35(b) of the Federal Rules of Criminal

Procedure and Section 5K1.1 of the Sentencing Guidelines and Policy Statements. The defendant agrees that the decision whether to file such a motion rests in the sole discretion of the United States.

#### 19. Nature of the Agreement and Modifications

This written agreement constitutes the complete plea agreement between the United States, the defendant, and the defendant's counsel. The defendant and the defendant's attorney acknowledge that no threats, promises, or representations have been made, nor agreements reached, other than those set forth in writing in this plea agreement, to cause the defendant to plead guilty. Any modification of this plea agreement shall be valid only as set forth in writing in a supplemental or revised plea agreement signed by all parties.
